Convert recessed cans to stylish pendant lights as easy as changing a light bulb

Recessed Lights

Go from this...

Great for:

- Remodeling on a budget
- Instant room makeovers
- Renters not allowed to remodel
- Better work/task lighting
- Residential or commercial use

NO electricians

NO remodeling

NO tools

Installs in minutes

Pendant Lights

..to this

Energy Efficient Lighting:

- Cover plate reduces air leaks around recessed can
- Uses 2/3 less energy and generates up to 70% less heat using CFL bulbs
- Brings light closer so requires less wattage

Features	Benefits
Screws into recessed light socket	Easy as changing a light bulb
Adjust cord length any time	Change the shade height after it's installed
Stylish cover plate fits tight against ceiling	Reduces air leaks around recessed light
Accepts many CFL bulbs	Energy efficient lighting
Stylish hanging pendants	Change the look of a room in minutes

NOTE: Customers may refer to it as the "Instant Pendant Light" which has been featured in USA Today, Home magazine, Fine Home, Renovation Style, Readers Digest's Handyman.

Glass shades are detachable – conversion kit's lamp cup & bulb socket will fit many flat-top shades.

Other glass shades available – contact us or visit our website for more details.

Adapter-only unit available – mix and match your own shades for your product offerings
